EDUCATION

Doctorate of Instruct

Literacy for Children and Adolescents ELEd

This course provides an overview of children's and adolescent literature and its use in culturally responsive teaching. Children's and adolescent literature will be explored as a method to provide culturally responsive teaching in relation to diversity and critical literacy areas.

Multiple Intelligences Workshop MAT

Integrative workshop teaching the nine multiple intelligences and how to implement these intelligences in lesson plans.

Reading and Writing Methods I ELEd

This course creates a foundation for teaching listening, speaking, reading, and writing in all grades with a focus on beginning readers and writers. Theory, learner development, diversity, and content knowledge will be applied in lesson and unit planning and in teaching children in the placement. Assessment, planning, teaching and reflection will be modeled and experienced in classroom settings using the CCSS, best practice and attention to the needs of all learners.

Reading and Writing Methods II ELEd

This course builds on the foundation gained in Reading and Writing I and focuses on grade 3-8 readers and writers. Theory, learner development, diversity and content knowledge will be applied in lesson and unit planning and in teaching children in the placement. Assessment, planning, teaching and reflection will be modeled and experienced in classroom settings using the CCSS, best practice and attention to the needs of all learners.

Research Courses MAT

Graduate level research introduction. Students learn to design and implement action research projects for the practicum using triangulated data.

Senior Seminar ELEd

This course assists teacher candidates to synthesize their foundation, methods and content background during the full time clinical experience, including content to prepare the teacher candidates as they transition into the teaching profession. The course content is presented in a professional development workshop while encouraging an understanding of the need for continued growth as teaching professionals as well as additional information on classroom management and di
